

Application form for festival friends

Advantages include:

- **Advance Publicity**
Receive full details of the Festival before they are announced publicly
- **Priority Booking**
St Andrew's Church is not large, and priority booking gives much greater chance of good reserved seats in the nave and front transepts
- **Festival Reception**
Always a convivial event and a great opportunity to meet the musicians and your fellow Friends!
- **Helping to secure the future of the Festival**
At a time when funding for the arts is in danger of dwindling, we are enormously grateful for the support of our Friends, which helps to secure the future success of the Festival.
